To all our friends in Killead & Loanends,

Greetings from Mosside.

We've moved into our new home (just about - it's cardboard box land at the moment, but we'll get sorted eventually!)

We would like to thank you all most sincerely for the gifts we, and Judith, Iain and Stuart, were given on Sunday past by both congregations. We were overwhelmed by your generosity to us, yet we were not surprised, as that is something we have known throughout the sixteen years we shared with you.

Thank you to all those who sent or gave us cards – they have certainly brightened up our house. It was also lovely to receive the albums of individual cards written by so many families. They will be a lovely lasting memory of our time in Killead and Loanends.

We hope that if you are heading up to the North Coast you will take the opportunity to call with us sometime.

We wish you all God's richest blessing and pray that soon we will hear of a Call to a new Minister who will work with you as you seek to further the work of Christ in Killead and Loanends.

Yours in Christ's service.

John & Anne
